

We are moving from the Blackboard platform to a new one called RVC Learn, over the course of the 2011-12 academic year. Blackboard will be switched off at the end of October 2012 and no longer available.

1. Go to <https://learn.rvc.ac.uk>.
2. You'll see a login box on the left hand side (Image 1). Enter your RVC username and password into this and then select Login.

The image shows a login form with a purple border. At the top left is the word 'Login' in bold. Below it are two input fields: 'Username' and 'Password'. A 'Login' button is positioned below the password field. At the bottom left of the form is a link that says 'Lost password?'. A black rectangular box highlights the Username and Password fields and the Login button.

3. The login box will disappear. You will see your name written in the top right hand corner, along with Logout (Image 2). Select this when you have finished your RVC Learn session.

Everyone has a profile in RVC Learn which they can personalise with a photo, general information and web links. Your photo will be attached to activities that you participate in, such as forum discussions. You can view the profiles of other people enrolled in the same course as you.

- In order to edit your profile, from the course Settings block select My Profile Settings > Edit Profile (image 4).
